Members' Interests - New Entries & Updates

Please note ALL entries & updates for Members' Interests are directed via the quarterly publication of our magazine Root & Branch. Once prepared for printing they are then forwarded for inclusion in the Interests Index.

Members' Interests

These are Surnames submitted by Members to provide a point of contact for others who may be researching, or have already researched, the same ancestral lines.

New Entries

We encourage new Members to submit their own list of Surnames using the form below; with Country/County, Place & Period to narrow any search, helpful with a more common surname or to cover a specific area. Take a look at the *Interests Index* here or in Root & Branch.

Interests Updates

Current Members please use this same form, for amendments to existing entries and/or for additional entries. Note that any amendment entry will replace the original entry IN FULL. For example if you wish to change just the Area, then re-submit the entire original entry (you can copy/paste this from our Index) with the Area as newly required.

Hint: Use the .pdf search facility to find your entries with your Membership No.
Or request such a list, quoting Member No, from interests@wsfhs.org

You can fill out the following form on-line (click on the first box and Tab to the next), then Save a Copy for e-mailing as an attachment; or print it, but see below for where to send it.
